RUDI'S CHOICE

THE QUARTZITE COLLECTION

NATURAL STONE FROM AROUND THE WORLD

IMPORTANT

Each block of natural stone is unique, therefore colour, patterning and movement can vary from slab to slab. The images of products in this catalogue are representations only. We always recommend that the final selection of material be made at our warehouses in person. The warehouse staff will happily reserve your slabs for 7 days until you have finalised arrangements with the fabricator of your choice. Natural stone often requires sealing and/or polishing. Be sure to discuss this with your chosen fabricator prior to installation. For more information please visit our website at **rudischoice.co.za.**
